H. R. 1208

IN THE SENATE OF THE UNITED STATES

APRIL 1, 2003

Received; read twice and referred to the Committee on Foreign Relations

AN ACT

To authorize appropriations for fiscal years 2004 and 2005 for United States contributions to the International Fund for Ireland, and for other purposes.

- 1 Be it enacted by the Senate and House of Representa-
- 2 tives of the United States of America in Congress assembled,

SECTION 1. SHORT TITLE.

- 2 This Act may be cited as the "Northern Ireland
- 3 Peace and Reconciliation Support Act of 2003".

4 SEC. 2. FINDINGS: SENSE OF CONGRESS.

- 5 (a) FINDINGS.—Congress finds the following:
- (1) The United States has been effectively engaged in the Northern Ireland peace process through
 both participating in negotiations and contributing
- 9 to the economic development of the region.
- 10 (2) Both the Government of Ireland and the
 11 Irish people and the Government of the United
 12 Kingdom and the British people are long-standing
 13 friends of the United States and the American peo-
- 14 ple.
- 15 (3) In 1986, the United States, in support of
- the Agreement Between the Government of Ireland
- and the Government of the United Kingdom
- 18 ("Anglo-Irish Agreement") dated November 15,
- 19 1985, initiated annual contributions to the Inter-
- 20 national Fund for Ireland ("International Fund") to
- 21 help bolster economic development and support pro-
- grams that would foster peace and reconciliation in
- Northern Ireland and the affected border areas of
- the Republic of Ireland.
- 25 (4) The United States has been a generous and
- faithful donor to the International Fund, contrib-

- uting more than \$386,000,000 to help improve relations between Catholics and Protestants in Northern Ireland through the creation of thousands of jobs and cross community business development.
 - (5) More than 80 percent of the International Fund's investments have been in disadvantaged areas offering work experience and important job training programs for disadvantaged and unemployed youth through the economic, social, and physical regeneration of deprived areas.
 - (6) The International Fund has also developed a series of community-building programs promoting greater dialogue and understanding between Catholics and Protestants and leadership programs designed to develop a new generation of leaders in Northern Ireland to bring about a more peaceful and prosperous future in the region.
 - (7) Through the Anglo-Irish Agreement Support Act of 1986 (Public Law 99–415), the United States also seeks to ensure that its contributions promote "reconciliation in Northern Ireland and the establishment of a society in Northern Ireland in which all may live in peace, free from discrimination, terrorism, and intolerance, and with the opportunity

- for both communities to participate fully in the structures and processes of government.".
- (8) The Good Friday Agreement reached by the Government of Ireland, the Government of the United Kingdom, and political party leaders on April 10, 1998, created the Northern Ireland Executive Assembly and Executive Committee and provided for a "democratically elected Assembly in Northern Ire-land which is inclusive in its membership, capable of exercising executive and legislative authority, and subject to safeguards to protect the rights and inter-ests of all sides of the community.".
 - (9) The Good Friday Agreement also called for police reform and establishment of a "new beginning" in policing in Northern Ireland with an effective, accountable, and fair police service capable of attracting and sustaining support from the community as a whole, capable of maintaining law and order, and based on principles of protection of human rights.
 - (10) In 1999, the Independent Commission on Policing in Northern Ireland, mandated by the Good Friday Agreement, made 175 recommendations for policing reform in Northern Ireland, some of which have been implemented.

- (11) In 2002, the Department of State, as re-quired by section 701(d) of the Foreign Relations Authorization Act, Fiscal Year 2003 (Public Law 107–228), issued a "Report on Policing Reform and Human Rights in Northern Ireland" and concluded that among key areas of concern that had not been fully implemented was the establishment of a criti-cally-needed new police training facility and an in-crease in funding for training programs.
- 10 (b) Sense of Congress.—It is the sense of Con-11 gress that—
 - (1) United States assistance for the International Fund has contributed greatly to the economic development of Northern Ireland and that both objectives of the Anglo-Irish Agreement Support Act of 1986, economic development and reconciliation, remain critical to achieving a just and lasting peace in the region, especially in the economically-depressed areas;
 - (2) although there has been positive economic development in both the Republic of Ireland and Northern Ireland, International Fund contributions to support much-needed projects in economically-depressed areas of Northern Ireland remain very important, and an expansion of efforts in reconciliation

- projects as a way to promote peace and economic stability is also encouraged; and
- 3 (3) since policing reform is a significant part of winning public confidence and acceptance in the new 5 form of government in Northern Ireland, the Inter-6 national Fund is encouraged to support programs 7 that enhance relations between communities, and between the police and the communities they serve, 8 9 promote human rights training for police, and en-10 hance peaceful mediation in neighborhoods of contin-11 ued conflict.

12 SEC. 3. AMENDMENTS TO THE ANGLO-IRISH AGREEMENT

13 **SUPPORT ACT OF 1986.**

14 (a) FINDINGS AND PURPOSES.—Section 2(b) of the 15 Anglo-Irish Agreement Support Act of 1986 is amended by adding at the end the following: "Furthermore, the 16 International Fund is encouraged to support programs 18 that enhance relations between communities, and between the police and the communities they serve, promote human 19 rights training for police, enhance peaceful mediation in 20 21 neighborhoods of continued conflict, promote training pro-22 grams to enhance the new district partnership police 23 boards recommended by the Patten Commission, and assist in the transition of former British military installa-

tions and prisons into sites for peaceful, community-sup-

- 1 ported activities, such as housing, retail, and commercial
- 2 development.".
- 3 (b) United States Contributions to the Inter-
- 4 NATIONAL FUND.—Section 3 of the Anglo-Irish Agree-
- 5 ment Support Act of 1986 is amended by adding at the
- 6 end the following:
- 7 "(c) FISCAL YEARS 2004 AND 2005.—Of the
- 8 amounts made available for fiscal years 2004 and 2005
- 9 to carry out chapter 4 of part II of the Foreign Assistance
- 10 Act of 1961 (relating to the economic support fund), there
- 11 are authorized to be appropriated \$25,000,000 for each
- 12 such fiscal year for United States contributions to the
- 13 International Fund. Amounts appropriated pursuant to
- 14 the authorization of appropriations under the preceding
- 15 sentence are authorized to remain available until ex-
- 16 pended. Of the amount authorized to be appropriated for
- 17 fiscal years 2004 and 2005 under this subsection, it is
- 18 the sense of Congress that not less than 20 percent of
- 19 such amount for each such fiscal year should be used to
- 20 carry out the last sentence of section 2(b).".
- 21 (c) Annual Reports.—Section 6(1) of the Anglo-
- 22 Irish Agreement Support Act of 1986 is amended by add-
- 23 ing at the end before the semicolon the following: ", spe-

- 1 cifically through improving local community relations and
- 2 relations between the police and the people they serve".

Passed the House of Representatives March 31, 2003.

Attest: JEFF TRANDAHL,

Clerk.
